Importance Notice To Animal Owners involved in Showing Animals

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at Shows, We understand that it cost little or nothing at all depending on who you have Insurance cover with.

If you are of the few who don't have cover we would advise that you think about putting it in place for this purpose it may be well worthwhile.

The reason for us giving you this advice is to protect yourself in the event of your animal lashing out, and injuring someone or damaging someone's property, if that were to happen, and it is established that your animal was out of your control you may be held responsible, or partly responsible for any injury or damage caused and may end up paying all, or part of any settlement reached.

We, Schull Show Committee, would like to thank the Department of Agriculture & Food for their assistance towards the cost of Insurance.
